Helping You Put Knowledge To Work

Cornell Cooperative Extension is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and that provides equal program and employment opportunities.

Greetings,

Thank you very much for picking up a copy of the Tioga County Buy Local Guide: Farm and Food Products. This guide was developed to help residents connect with those who produce farm and food products within Tioga County. As you read through this guide, you will see there is a diverse array of farm and food products available. We hope you get a chance to try some of these products, if not all. We also hope that you get the chance to meet the many great people that work hard to bring you these products and play an important role in our local economy.

Table of Contents

BUY LOCAL

Taste the Freshness!

When you purchase local foods you enjoy some of the freshest, best-tasting foods and beverages available. Plus, when you buy locally you support the local economy and help keep land in agriculture. Whether you buy directly from the farm or business, or shop at the local farmers' markets, it's a win-win for small farms, small businesses, and for customers. The farms get to connect and sell directly to customers, and those customers get high quality fresh produce and to know their farmers.

Farmers markets are something you can share with your kids. They love tasting samples, meeting the farmers, and they're more likely to eat healthy fruits and vegetables when they've helped pick them out. The products bought not only taste better but stay fresher longer.

Tips for Buying Locally:

- ◆ Call first or check their website and/or Facebook page for updated hours and product availability.
- ◆ Check to see what type of payment is accepted.
- ◆ Ask questions and see if samples are available.
- ◆ Make sure you are dressed for the weather, with proper footwear, for u-pick places. Please leave your dog at home.
- ◆ Share your experiences. This helps local farmers and businesses grow.

Farmers' Market Shopping Tips:

- ◆ Arrive early for best selection.
- ◆ Bring a re-useable shopping bag.
- ◆ Bring cash, WIC checks, senior and/or FMNP coupons. Most vendors don't accept credit cards.
- ◆ If you are out for the day, bring a cooler.
- ◆ Talk to farmers to learn about their farm and their growing practices.
- ◆ Tell the vendors what you like and what you are looking for.
- ◆ Try different varieties and recipes.
